Before enrolling, all students should read the Student Handbook and ensure they understand some key points. A summary can be found below:

- REIQ (The Real Estate Institute of Queensland Limited) is a Registered Training Organisation (RTO), with the national provider code of 5420. No third party arrangements exist, meaning all enrolments are directly with REIQ, and no other RTOs are contracted to provide training on REIQ's behalf.
- The REIQ is responsible for the quality of quality training and assessment services to all students, in accordance with the requirements of the Standards for Registered Training Organisations 2015, regulated by ASQA. Please refer to the Student Handbook for more details and for information on REIQ's complaints and appeals process.
- The REIQ adheres to all relevant State and Federal legislation. Please refer to the Student Handbook for details of REIQ's Privacy Policy and other relevant policies and procedures.
- All nationally recognised units of competency are offered under the Certificate IV in Property Services (CPP40307) Qualification from the Property Services Training Package (CPP07). The course information flyers specify which nationally recognised units of competency are included in each course. If you are unsure, please contact REIQ Professional Development.
- All students studying nationally recognised training in Australia from 1 January 2015 will be required to have a Unique Student Identifier (USI). A USI is an account (or reference number) made up of numbers and letters. The USI will allow students online access to their training records and results through their online USI account. No student will be issued a statement of attainment, certificate or refund without a USI.
- All enrolling students must provide Photo Identification at the time of enrolment (this could be a drivers licence, passport or other form of photographic identification).
- The Cancellation and Refund Policy for each course can be found in the Student Handbook, and on each enrolment form.
- There are non-refundable administration fees for all courses at REIQ. Please ensure you read the Cancellation and Refund Policy on the enrolment form or in the Student Handbook for information on the fees that apply to the course you are enrolling in.
- Timeframes for each course REIQ offers can be found in the Student Handbook, and on the course information brochures. Late marking fees may apply to any assessments submitted after the allocated timeframe for the course, along with fees for the reissue of any materials that have become outdated due to legislative change. Refer to the Student Handbook for more information.
- The durations listed on the course calendar (for example, four days for the Registration course) consist of the contact class component only. Students complete further study and the assessment process after attendance at classes at their own pace.
- Training is offered in contact classes throughout Queensland, and prospective students can find locations and calendars of scheduled courses on www.reiq.com. All students will need to select a location and date for their course if they choose to attend contact classes.
- Training is offered also by distance education and online learning (online learning is available for the Registration course only). Students studying by distance education or online learning will have access to tutors for each unit of competency, and will be assessed either in person or verbally by telephone, in addition to their written assessment component.
- If you are thinking about enrolling and aren't sure if your English Language, Literacy and Numeracy skills are at the standard required to achieve competence in the course, please contact the REIQ Professional Development team before you enrol. We can provide you with a short Literacy and Numeracy exercise to complete which will help you to know if you will need some additional literacy and numeracy assistance before you enrol with REIQ in the course, and refer you to some providers that can assist you. It is important that you do this before you enrol, as the legal documentation and legislation that forms part of the course requires you to have a working knowledge of the English language.
- Information on Recognition of Prior Learning (RPL) and Credit Transfer can be found in the Student Handbook, and on the REIQ website.
- Assessment for each unit of competency take the form of a structured assessment process, incorporating both comprehensive written assessments testing skills, understanding and knowledge, and consisting of case studies which replicate 'real life' real estate situations, along with activities that are assessed verbally or in classroom settings. Competence is, in this way, determined progressively with your trainer or assessor ensuring that you are genuinely competent in each unit of competency before you are issued your Statement of Attainment.
- Unless students request otherwise, written assessments are completed and submitted electronically. These electronic assessments are in Acrobat editable PDF format, meaning students will need to access a computer, laptop or device able to edit and save these documents. For those students without access to a computer, please make contact with the REIQ Professional Development team to receive printed assessments.
- The REIQ does not offer VET-Fee Help, and does not offer courses of study to students on overseas study visas for the purposes of visa applications.
- There is no direct State or Federal Government training funding available to individual students studying with REIQ. Federal Government incentives apply to employers of eligible trainees when undertaking a traineeship registered with the Queensland Government.
- The REIQ is a member of the Australian Council for Private Education and Training (ACPET), and is a member of ACPET's Australian Student Tuition Assurance Scheme, which ensures student fees paid in advance are protected. More information can be found in the Student Handbook.
- At all times REIQ is here to assist students in achieving competence, and we encourage you to make contact with any of the Professional Development team as you work your way through your course if we can assist in any way.
